## GRADUATIONS AND BAPTISMS!

We celebrated Melinda Weaver's high school graduation on Saturday, May 22. She received an Honors Diploma. Melinda plans to attend Rosedale Bible College in the Fall. Congratulations, Melinda!

Some of our students had expressed an interest in baptism as a result of their discussions in Morning Meeting. After several weeks of classes, nine of them were baptized on June 6! We are grateful for the way these students are allowing God to work in their lives and would appreciate any prayer support you can give them.

MCCS 8<sup>th</sup> grade graduates, Rachel Stein (left) and Kenerah Wall (right), enjoy a trip to Ocean City, MD, with their chaperone, Rita Delp (middle). Both Rachel and Kenerah will attend high school at MCCS.

**Our High School Students in Times Square on their Class Trip.**

## Scholarship Fund

We anticipate having six students in the MCCS graduating class of 2011. Our students have been working hard to graduate and most have plans to further their education. Unfortunately, our Scholarship Fund is very low. We would like to invite you to help our seniors by donating to this fund. If you wish to do so, please designate your gift for the Scholarship Fund. We appreciate your generosity and look forward to watching our Seniors succeed!

## Job Shadowing

Throughout the past school year, twelve of our high school students had the exciting opportunity of job shadowing. After listing their areas of interest, they accompanied a professional in a related field on a day of work. The students experienced a variety of jobs, including Nursing Assistant., Engineer, Architect, EMG Technician, Lawnmower Mechanic, Carpenter, and Computer Programmer.

"My goals in doing the job shadowing program were to expose the high school students to a variety of career options and allow them to explore these while still in school," says Mrs. Bekah, high school supervisor. The students were grateful to have this experience. "It was cool going through a building and seeing how it looked before it was done," says Joshua Boone, whose interest is in Architecture. Student, Ashley Lynch, commented, " It helped me narrow down the careers I actually want to pursue, saving me from wasting time on the ones I wouldn't really like." Thank you to all who helped in the job shadowing program this year!

## Many Thanks To...

- All of the donors who gave so generously so that we could cover our expenses for the year - especially so we could meet payroll for our teachers. Although our school does not have the kind of budget other private schools have, it is more than we can provide on our own. We cannot thank you enough for your support!!!!
- All of our volunteers, including Linda Vesey, Ms. Kloetzli, and the Intervarsity students who came in to help out during their Spring Break.
- Jason Burkholder for updating our Facebook page with beautiful photos.
- Lee & Genny Martin for the use of their pool for the baptism and school trips.

*We couldn't do what we do without you!  
We are so grateful to all who pray for this  
ministry and give so generously of their time and  
money.*

*If you wish to make a tax-deductible donation, checks may be made payable to Mount Clare Christian School. You can designate for the School Fund or the Teachers Fund. Another fund accepting donations is the Scholarship Fund. Automated Funds Transfers or Paypal gifts through our website [www.mountclarechristian.org](http://www.mountclarechristian.org) are also possible.*
