LOOK WHAT THE LORD HAS DONE

We're starting our new school year at MCCS with 45 students in grades 1-12. Eight of these students are new to us this year. Please keep our seven seniors in prayer as they work very hard to complete their work to graduate. We are very proud of them and of all our students.

David Williams is a new fourth grader at MCCS. "I like it better here than at my old school. At my old school there was a lot of cussing and fighting. At this school we go over to the church every Friday and there is no cussing or fighting. It makes me feel safer and more comfortable. I like working in my PACE's because even though they are long, I've gotten faster and I learn a lot from them."

Riley Eubank, a new seventh grader, says, "I'm very glad for this school. I've made a lot of good friends and I've learned to be helpful to other people. I like that if I work hard during the day, I don't have homework."

Leah Deichmiller, a senior, is in her seventh year at MCCS. "My work is a lot harder this year and I'm doing extra work to get all my credits in for graduation. It's not going so hot right now, but I'm hoping it gets better. I'm looking forward to the high school retreat and getting my PACE's done!"

Jeffrey Hicks, a new 1st grader here at MCCS says, "I feel smart when I do my PACE's. Mrs. Sadie helps me when I need help and my friends help me feel better when I'm sad. I like that God gives me a chance and makes me happy. I love God!"

Thanks a Million!

- To the work group from Hastings Assembly of God in Michigan, who worked tirelessly to parge our front wall, replace the floor in our elementary room, and paint a mural in our lunchroom! Thanks also to Elaine Delp, Donna Burkholder, Larry Miller, and Ricky Taylor who invested many hours in these projects as well.
- To Mike Weaver for waxing our school floors to a shine.
- To Jennifer Bowers and Lake Shore Christian Academy for providing us with discounted PACE's
- To Becky Sauder for the school supplies.
- To Vicki Hamilton for the printer and encyclopedias.
- To the folks from Gateway Community Church for carefully cleaning our school and donating office and school supplies.
- And to all the donors who give to us regularly so that we can continue our work here at MCCS!

Throughout each year, we regularly remind ourselves that the school here at MCCS is God's school, and that He will provide for His work with the students here in Southwest Baltimore. There were several months last year when we wondered where the money to pay our teachers was going to come from, yet each month there was just enough. This is amazing to us!

The amount of money it takes to run MCCS each year is about \$150,000. Our tuition usually brings in less than \$9000 in all. This leaves \$141,000 that miraculously comes in through donations or fundraising. While there are sometimes large gifts, most are smaller gifts, coming from faithful donors who believe in what we are doing here at Mount Clare.

If you would like to be part of the Lord's provision for the school, checks may be made payable to Mount Clare Christian School. You can designate for the School Fund or the Teachers Fund. Automated Funds Transfers or Paypal gifts through our website www.mountclarechristian.org are also possible.
